Recommendations to Improve Pass Rate & Reduce Dropouts

📌 Key Recommendations

👉 1. Improve Attendance
- Monitor students below 75%
- Send alerts / warnings

👉 2. Identify At-Risk Students Early
- Focus on low marks + high backlog
- Provide special coaching

👉 3. Faculty Development
- Train low-performing faculty
- Encourage best teaching methods

👉 4. Reduce Dropouts
- Counseling support
- Financial help (Scholarships)

👉 5. Improve Placement Outcomes
- Conduct mock interviews
- Soft skills & aptitude training
